

Workshop Make Up Assignment

A requirement to compete in KU's first annual Case Competition is to attend three out of the four workshops. We understand that workshop times may conflict with students schedules therefore students can complete a make up assignment.

Complete TWO LinkedIn Learning courses from the list provided (minimum 1.5 hours). The topics align with the topics from the workshops so please select courses from workshops missed. LinkedIn Learning is FREE to all KU students. The link below provides information on how to access your free courses
